From the Principal's Desk

Hello Winter Springs Families!

We appreciate your continued support as we navigate through this challenging school year. Everyone has been compassionate and understanding with the health and safety protocols that are in place. This has helped keep our students and staff members healthy this school year.

We need your help! Are you looking for an opportunity to be more involved in your child's school? If you like planning events, helping in or outside of the classroom, or just being involved in the school, please consider joining the PTA Executive Board for the 2021-2022 School Year. Officers are expected to attend monthly board meetings held throughout the school year. Your PTA cannot function without an Executive Board. We need your help to continue offering enriching PTA programs, events and opportunities for our students. If you are interested, contact Kristina Rowley at Kristina_Rowley@scps.k12.fl.us

Holiday/Birthday Treats

We continue to ask that any treats that are shared on campus are individually wrapped. We still cannot accept cakes, cupcakes, or cookies unless they are wrapped separately. Thank you for understanding.

Welcome Mrs. Todd

Recently, our Assistant Principal, Mrs. Padilla, accepted another position within the county as a school Principal. Although we are sad to see her leave our school, we are excited for the opportunity Mrs. Padilla has to advance in her career!

We would like to welcome Mrs. Todd as our new Assistant Principal on campus. She comes to us from Lawton Elementary with many years of experience as an assistant principal. As Mrs. Todd begins her next phase of her career at Winter Springs Elementary School, she is excited to support the academic growth and achievement of all students, and is willing to assist the families with any needs. We are excited to have her as part of our Winter Springs Elementary School Family.
